VILLA POOL / ONE ELEVEN

## BALI'S BEST KEPT SECRET

Like the island on which it sits, One Eleven is a getaway within a getaway.

Hidden amidst a million-pot garden in the heart of bustling Seminyak, **One Eleven** is secluded but convenient, private yet unpretentious, offering the best of Bali's contrasting worlds in just over 50,000 square feet. VILLA LIVING ROOM / ONE ELEVEN

LOBBY / ONE ELEVEN

### VISIONARY VILLAS

Seamlessly blending custom in-villa stays with a traditional resort experience, One Eleven's nine spectacular villas offer secluded open-air opulence in a thoroughly modern package. Each villa boasts over 3,700 square feet of usable space, including a private gazebo, 45-foot plunge pool, and an ample lawn for entertaining. Indoors, natural wood and stone accent a minimalist design that, with the help of floor-to-ceiling windows throughout, pushes Bali's mesmerizing atmosphere to the forefront of the pool-facing bedroom, ultra-modern master bath, and every space in between. Around-the-clock butler service, a fully-stocked "Maxibar", and a diverse cigar menu round out the experience (from US\$550 per night).

### SOUTH PACIFIC SANCTUARY

Cradled within the world's premier personal wellness region, where many modern spa practices originated thousands of years ago, One Eleven's spa lives up to the local heritage with a focus on balance and relaxation. Private spa gazebos and an aromatherapy bar provide the appropriate stage-setting, but it's the extensive treatment menu that will truly command your senses. The **Balinese Massage**, which targets pressure points with delicate thumb techniques, or the **Signature Facial**, utilizing pure botanicals and potent herbs, are highlights, but spaophiles should go all-in on a 240-minute **Rejuvenate** treatment, which strings together four different approaches in order to create the ultimate spa ritual. For those who prefer to be pampered in total privacy, a full menu of In-Villa Wellness options awaits.

### ON-SITE SUSHI

Helmed by the Japanese-trained chef Shiro-san, One Eleven's **Shiro Sushi and Sake Bar** blends Japanese flavors and Balinese ingredients into one truly unique dining experience. The menu's clean but varied flavors are complemented by the interior design of Shigemasa Noi, whose intricate, natural woodwork places emphasis on exactly what a restaurant's décor should: Food and drink, of which, there is plenty, of course, with many masu of sake and an array of sushi, noodles, and seafood welcoming guests to this unforgettable dining experience.
